

**Amendments to the Specification:**

Please amend the specification at page 3, line 26 through page 4, line 4 as follows:

Referring now to the figures, wherein like features are referenced with like numerals, a bow 10 is shown in FIG. 1. Bow 10 has a frame 20 and a string ~~30~~ 40. Frame 20 includes a lower portion or arm 22, an upper portion or arm 24, and a handle portion 25 with a grip 30 connected to and supporting lower arm 22 and upper arm 24. Handle 25 has a front surface 32 and an opposite back surface 34. During shooting with the bow, front surface 32 is positioned facing the target and back surface 34 is facing the archer.
